## 1: Discussion Questions

### ***Before the Performance***

Tiny Tim's Christmas Carol is a stage play. What is a stage play?

- How is a play similar to a TV show or movie?
- How is it different?

Who performs the parts (roles) in a play?

- What kinds of skills do you think performers need to have to perform in plays?
- Who else works on plays? (Remember: you may not see them on stage!)

The play is based on a book: *A Christmas Carol* written by Charles Dickens.

- Have you read *A Christmas Carol* as a class or by yourself?
  - Based on what you read, what do you think may happen in the play?

### ***During the Performance***

When you watch a play, you are a member of the audience. What kinds of things should you do as an audience member? Examples:

- Pay attention
- Laugh when something funny happens
- Clap if you enjoy something

What kinds of things should you *not* do as an audience member? Examples:

- Talk to your neighbor
- Use a cell phone during the performance
- Yell at the actors (unless they ask you to!)

### ***After the Performance***

What did you think of the play?

- If you read *A Christmas Carol* beforehand, how was the play similar to the book?
- How was it different?

Describe the performers in the play.

- What did they do to make their characters special (different from the other characters)?
- How did they use their bodies to play their characters (using voice, movement, etc)?
- Did you see anyone else who worked on the play besides the performers on stage?

Describe the characters' costumes.

- What did each character's costume tell you about that character?
- Did any of the performers change costumes?
  - If so, why do you think they needed to change costumes?

Describe the set of the play.

- Did it have a lot of locations?
- Did it look like a place you've been to before?
- How did different lighting change how the set looked for different scenes?

Did the play have music in it?

- If so, was it only in the background, or did it help tell the story?
- What instruments did you hear in the music?

If you were going to direct *Tiny Tim's Christmas Carol*, how would your production be different than the play you saw by Magik?

## **2: Magik Must-Reads**

For each of our main stage productions at The Magik Theatre, we choose a theme related to the show. Then we create a list of Magik Must-Reads on that theme.

The reading theme for Tiny Tim’s Christmas Carol is Family.  
The Magik Must-Reads (Grade Pre-K Grade 1) are:

***What Brothers Do Best/What Sisters Do Best* by Laura Numeroff**

***How to Babysit a Grandma* by Jean Reagan**

***The Family Book* by Todd Parr**

***Me and My Family Tree* by Joan Sweeney**

Read them as a class or let students choose two or more to read. Then use these questions for discussion or book reports:

### Theme

- How did the theme of Unlikely Friendships show in each book? Explain.

### Setting

- Describe the settings of each book.
- What details can you remember?
- Were the settings similar to a place you know or a place you’ve visited?
- How were the settings similar to each other? How were they different?
- How were the settings related to the theme of Unlikely Friendships? Explain.

### Characters

- Who were the main characters of each book?
- Did any characters show up in more than one book?
- Were the characters of one book similar another book’s characters in any other ways?

### Plot

- What did the main characters of the books want most?
- Did anyone or anything stand between the main characters and their goals?
- Did the main characters get what they wanted? How?
- How were the plots of the books similar? How were they different?

## **2: Illustrate Your Own Story**

In Tiny Tim’s Christmas Carol, Tiny Tim wishes he could spend Christmas with his dad, but Mr. Scrooge won’t let him have the day off. Tiny Tim and his best friend Charlotte come up with a plan to change Mr. Scrooge’s mind and save Christmas. Think about a time you and your family shared a special moment. In the space below draw a picture about that time to illustrate your story.

Answer these questions as you write your story:

- Who is your main character?
- Who are your other characters (if any)?
- What does your main character want?
- What is keeping your main character from what he or she wants?
- How does your main character tackle the problem?
- How does your story end?
- Did your main character learn anything?

### 3: Picture Problems

Circle the number of trees pictured below:

1    2    3    4    5

Circle the number of gifts pictured below:

1    2    3    4    5

### 5: Make Your Own Snow

In Tiny Tim's A Christmas Carol, the show is taking place during winter when it's cold outside and snowing! In this experiment, students will use the supplies provided to make their very own snow.

#### Supplies Needed:

2 lb. box of baking soda

1 can shaving cream

Dish or container (to mix it all up in)

#### Step by Step Process:

Step 1- Pour all of the 2 lb. box of baking soda into a plastic container with a lid

Step 2- Add some shaving cream and knead it into the baking soda.

Step 3- Add more shaving cream, mix, and repeat, until the mixture is the consistency of snow.

Step 4- Discuss what the snow felt like and the temperature.

## 6: Winter Celebrations Around the World

In Tiny Tim's A Christmas Carol, Charlie, Tiny Tim and his friends and family are celebrating the holiday season.

Did you know that there are many traditions all over the world that celebrate the spirit of goodwill and peace? Many of these holidays come from spiritual beliefs, family traditions, and cultural practices.

As a class discuss what traditions and holidays they celebrate with their families during the winter season. Write them all down on a graph. Make several circle cut outs for each student and have them write down something they do during the holidays (ie, unwrap presents, make tamales, light the Menorah).

Have students tape their circle to the holiday tradition they celebrate.

Guiding questions for the activity:

- What does the word 'holiday' mean?
- What holidays do you hear about everyday?
- Do you know someone who celebrates a different holiday than you?
- How many students celebrate one holiday?
- How many celebrate two? More than two?
- Did more girls celebrate one particular holiday?
- Did more boys celebrate one particular holiday?
- What are the different things people do during the holidays?
- How many student did the same things?
- How many students did things differently?

Your class may be surprised by how many of their friends celebrate different holidays and have different family traditions. To further the activity, have students draw a picture of their family traditions and share it with the group.

**7: Draw What You Saw!**

Choose your favorite moment from *Tiny Tim;s A Christmas Carol*. Use the space below to draw a picture of that moment. Use your own colors and style to show that scene however you want to. When you finish, share your picture with your class. Be ready to answer questions about your picture, such as:

- Who does your picture show?
- What is happening in your picture?
- Why did you choose the colors you used?
- How did you show emotions (feelings) in your picture?
- What happened just before the moment you drew? What will happen just afterward?
- Did anyone else draw the same moment you drew?
- How is their picture similar?
- How is it different?

## 8: Exploring Music

Tiny Tim is sad because his Dad might have to work on Christmas. In order to make him happy, he might create a brand-new song! Imagine you are caroling to cheer Tiny Tim up.

Try and learn Tiny Tim’s new song that goes to the melody of Jingle Bells. Does it make you move your feet and dance? Have you heard these songs before? How are they different now? Can you make up your own lyrics to Jingle Bells?

**Sing to the tune of “Jingle Bells”.**  
Tiny Tim, Tiny Tim, Tiny Tim is sad  
Cheer up Tim, cheer up Tim  
We wish you were glad  
Oh  
Tiny Tim, Tiny Tim, Tiny Tim is sad  
Cheer up Tim, cheer up Tim  
We wish you were glad
