Welcome!

Dear Friends,

Welcome back to Magik! We are so excited for you to join us for the second show of our 2021–22 season, *Snow White*. Live theatre creates transformational experiences for young people – something that many children have had less access to due to the pandemic. The past 18 months have shown us that real-life, in-person, tangible experiences are crucial to understanding the world around us, which directly correlates with our sense of compassion, identity, curiosity, and imagination.

We originally produced *Snow White* in November and December of 2020, when kids were stuck in remote learning and a vaccine for COVID-19 was still in the distant future. *Snow White* herself is also stuck – imprisoned by a vain stepmother who couldn't bear anyone being more beautiful than her. Locked in her castle, *Snow White* yearns to go outside to look at the trees, listen to the birds, and watch the light in the sky change. When she does escape, she is given shelter by seven strangers who are sympathetic to her plight. Fairy tales continue to endure because they can show us that the values of the past are not so different from our values now.

This version of *Snow White* features two actors playing all of the roles. Playwright Greg Banks said, “In a funny way, it's quite nice for the audience. For the audience to see *Snow White* play the Stepmother, to realize she can be more than one kind of thing, that people can be more than one thing.” We hope it might inspire your family to adapt your favorite stories using the transformational potential of your imaginations, the same way that *Snow* and *Dwarf 4* share their story with you.

We will see you at our next production, *Ella Enchanted!*

All my best,

Anthony Runfola

Artistic Director

About Snow White From Rosa Gardner's Notes

Snow White is a show I know well, having played the character of Snow White myself in Magik's production in 2020 then serving as Associate Director for the tour production earlier this year. Because I am so familiar with the script, I had no doubt it would be an exciting story to tell! Its themes of friendship, sticking up for others, and opening our homes to those who need shelter and safety are particularly relevant in today's world.

This adaptation of Snow White was an especially fun challenge because of the sheer number of characters that the two actors must play on their own. While adding costume pieces can help the audience know who's who, that alone isn't enough-- we had to ask ourselves questions like: how does this character move? How do they speak? What is their view on what is happening in this scene? Do they have enough individual qualities to make it clear that they are different from each other?

Thankfully, theatre is a collaborative effort: these talented actors brought their own unique capabilities and ideas, and we worked together to find where each character would live in their bodies and voices. It was like a puzzle to solve! It's been very exciting to see it come together.

I am very proud of this cast and this production. I hope you enjoy the show as much as we enjoyed making it come alive!

"We are pleased to bring our two person Snow White back this fall! This time, Elysa Aguilar and Devon Moreno step into the roles of Snow White and Dwarf 4 under the direction of Rosa Gardner. I can't think of a better team to bring this hilarious, high-energy production to life!"

–Anthony Runfola, Artistic Director

Synopsis

Recommended for ages 6+

Deep in the forest, a classic tale emerges and then is radically transformed. Two dynamic actors morph into a multitude of characters including a princess, her evil queen, a magical mirror, a huntsman, and the beloved seven dwarfs. Both lively and imaginative, this new adaptation of Snow White will leave you experiencing this classical story with an entirely fresh perspective while wondering: How did they do that?

Snow White is currently available to stream! The streaming version features different actors. For more information on how to access visit magiktheatre.org/streaming.

Anthony Runfola Artistic Director

Anthony Runfola (*Artistic Director*) is in his second season with Magik and is excited to be leading the company into its bright future.

His directing credits at Magik include *Snow White*, *Maddi's Fridge*, and *Señor Tortuga*. This season he will direct *Ella Enchanted*. Other recent productions include *The Lion, the Witch, and the Wardrobe*, *Wonderland: Alice's Rock and Roll Adventure*, *Goodnight Moon*, *Charlotte's Web*,

Eric and Elliot, *The Neverending Story*, and the world premieres of *Interrupting Vanessa* and *Rock the Presidents* (national tour). His production of *Schoolhouse Rock Live!* will be on its second national tour throughout 2021 and '22. He has been a guest artist at theatres and colleges throughout the country including Black Theatre Troupe, Actors Theatre of Phoenix, Teatro Bravo, Stray Cat Theatre, Phoenix Theatre, Gammage/ASU Public Events, Scottsdale and Mesa Community Colleges, Geva Theatre Center, and Seattle Children's Theatre.

Prior to arriving at Magik, Anthony was the Director of Production at Childsplay in Tempe, Arizona, where he oversaw the production of over 150 plays and musicals during his 20-year tenure. Additionally, he led the development of *El Puente* Festival and was a founding co-chair of the company's Equity, Diversity, and Inclusion committee. In 2010, he founded the Sustainable Stagecraft Initiative researching and developing sustainable practices for theatrical production. He has been invited to speak on the subject at conferences throughout the nation.

He is a founding member of Upstairs Theatre Company in Tucson, AZ and served as the company's artistic director until 2001. In 2015, he was accepted into the inaugural cohort of ArtEquity. Theatre Communications Group selected him as one of 50 U.S. theatre practitioners to participate in *I Am Theatre*, a web series celebrating pivotal moments in the lives of theatre-makers. He is an alumnus of the Lincoln Center Theater Directors Lab and Director's Lab West at the Pasadena Playhouse.

Along with his family, he is a recent transplant to San Antonio (arriving in 2020) and is looking forward to *finally* getting to explore the city!

Rosa Gardner Snow White Director

Rosa Gardner (*Director*) is incredibly grateful to be part of bringing the story of *Snow White* to the community! Since moving to San Antonio five years ago, Rosa has performed in over 15 Magik productions. Some favorite Magik roles include Wilbur in *Charlotte's Web*, Snow White (& others) in *Snow White*, Chester the Cat in *Bunnica*, Woodstock in *A Charlie Brown Christmas*, and Veruca Salt in *Willy Wonka*. Beyond performing, Rosa recently served as the Musical Director

for Magik's teen production of *The Addams Family*, was the Associate Director for the touring production of *Snow White*, and wrote and produced a short, silly sketch called "Charlotte's Webinar," which you should totally check out on Magik's Facebook page!

Gast

Elysa Aguilar (*Snow White*) is an alumni of Texas State University with a BFA in Theatre: Performance & Production and a Music minor. Texas State credits include: *Significant Other* (Laura), *Julius Caesar* (Brutus), *PEW! PEW!* (Farrah), *Red Bike* (Kid: A), *Life Is A Dream* (All Roles), and *Real Women Have Curves* (Rosalie). She has also worked with Wimberley Players in *The 39 Steps: A Live Radio Play* (Anabella/Actor 5). Other regional works include the

Moontower Comedy Fest in Austin, TX and *SXSWedu* performances with the Story Wranglers. Elysa would like to thank Magik Theatre for giving her the opportunity to grow as an actress and expand her impact on audiences through touring. She is honored to be working with such a talented and dedicated cast & crew. She would also like to thank her partner Marc-Antony Guillory for the constant support and love he has shown throughout her journey. She is excited to bring these shows to life with everyone!

Devon Moreno (*Dwarf 4*) is an actor and musician thrilled to be returning to the Magik stage. His recent credits include *Black Tie* with Boerne Community Theater, *Speakeasy* with Performing Arts San Antonio, *Romeo and Juliet* with The Wilma Theater, *Trojan Women* with The University of The Arts, and *Sonnets for an Old Century* with The University of The Arts. Devon graduated in May of 2020 and currently holds his BFA in playwriting, directing, and

production management. He is grateful for this opportunity and everyone who has worked on this show. Above all, for their continued love and support, he thanks God and his family.

Designers

Bill Rios (*Lighting Designer*) is excited to join the Magik Theatre team. Bill recently received his M.F.A. in May from The University of Texas at Austin. He has been working towards studying and specializing in Theatre for Young Audiences since 2009 and has designed for many TYA companies including, Childsplay, Nashville Children's Theatre, and the Theatre Bug. In the summer of 2020, Bill was awarded the Don and Elizabeth Doyle Graduate Fellowship for "demonstrated artistic ability in Theatre for Youth." Bill is constantly looking for ways to incorporate young people into his design process to make more engaging experiences for young audiences, which was the primary focus of his Thesis project, Youth Devised Design.

Susie Hamilton (*Costume Designer*) is a San Antonio based Costume Designer and Art Director. She primarily works in film and her talents can be seen around town in campaigns for VIA, University Health, Community First Health and others, as well as nationally on campaigns for Safelite, Sea World, and most recently as Production Designer for the new VH1 series *My True Crime Story*. Outside of work, she enjoys spending time with her partner and their four children taking in live music. After returning to San Antonio after completing her theatre degree at University of Texas at El Paso, Susie always hoped to design for Magik Theatre, and is grateful to have had many opportunities to create for their stage including shows such as *Willy Wonka*, *Shrek*, and *Pinkalicious* to name a few. Susie would like to thank Becky, Anthony, Lucian, Pat and the rest of the team at Magik for their friendship and support.

Christopher M. Boneta (*Scenic Designer*) is a San Antonio transplant from NYC. Christopher began painting and inking in his early teens exploring a blend of a comic & graffiti style. This art style was a perfect fit for children's theatre and has been part of the artistic team for over 20 years. He is very proud of the work he has been a part of at the Magik Theatre. Thank you for supporting the arts.
