"WE CAN TELL THE STORY ON OUR OWN!"

Theatre 117.119.b.2

Below is a monologue inspired by *Snow White*. A monologue is a speech given by 1 actor or actress. When practicing and performing, make sure to think about the space around you and movements you could add to the piece.

**"Don't be fooled by those branches and
brambles. They are witches arms, the twigs
their fingers. They reach out for you, grab
you, tighten round you so you can't get away
from the monsters. If you do get away, there
are all kinds of other vicious beasts and
birds, ugh! Birds, filthy little vermin with their
nasty claws, dirty little beaks, just waiting to
poop on your head. It's terrifying out there.
So, you stay within the castle walls where I
can keep an eye on you. Look after you."**

WORDS OF THE WOODS!

ELA 110.5.B.3

Wander (verb): To walk without a destination in mind.

Faint (verb): To pass out for a short period of time.

Precious (adj): A word to describe something valuable.

Knight (noun): A soldier in service to a prince or princess.

Use these words from Snow White to write your own story.

TRANSFORM THE COAL, THAT'S THE GOAL!

Health 115.5.b.8.B

In partners, look at this piece of the dwarves' coal. Sometimes this is how we feel, hard and cold on the inside. However, we have the chance to transform!

Discuss how you could transform this piece of coal. Use your imagination and your art skills to create something new. Make sure to include the shape of the coal into your design!
