THE STORY

The Velveteen Rabbit is a delightful Magikal retelling of the classic children's story of a boy who receives a stuffed rabbit sewn from velveteen as a present on Christmas Day. When another toy is lost, the Rabbit quickly becomes the Boy's new favorite. As the Rabbit's dapper appearance gets worn and shabby from play, a wonderful change begins to happen.

Join us this holiday season for the heart-warming and much-loved classic story about a shy toy rabbit who longs for nothing more than to become real.

THEMES

- dealing with a changing world
- being "real"/authentic
- loving others
- preserving through difficult times

ENHANCE YOUR EXPERIENCE

A Magik Theatre teaching artist can come to your classroom and implement the following project-based learning unit:

The Toy Factory: Just in time for the holidays, we can come to your classroom to create stuffed animals to keep or share with organizations that serve children in need, like Haven for Hope or Ronald McDonald House. In doing so, we'll explore measurements, pricing, and the beloved children's book, *Velveteen Rabbit*.
