We are a KultureCity Certified Sensory Inclusive Venue.

# Welcome to Magik Theatre!

Come join us! We don't want anyone to miss out on the magic of live theatre! Take a peek at these social stories and see what you can expect when you attend a show at Magik Theatre.

# I'm going to Magik Theatre today!

Today, I'm going to Magik Theatre in San Antonio, Texas. I'm going to see a play or another live event!

## When I Arrive

When I arrive, I will wait in line to enter with my family or group. It may be loud and crowded, but that is okay because this is a Sensory Inclusive location.

## Tickets

I will purchase tickets at the box office or if I have already purchased tickets, I will pick them up at the box office.

Next, I will need to have my ticket scanned. Soon I will be inside enjoying the event!

# Getting a KultureCity Sensory Bag

If I would like, I can borrow a KultureCity Sensory Bag. They are available at the Box Office and Merchandise Stand.

## What's in a KultureCity Sensory Bag?

There are items in the KultureCity Sensory Bag that will help me feel calm. I can use the noise-canceling headphones if I find it too loud. I can use the fidget tools in my KultureCity Sensory Bag to help me stay calm and enjoy the event with my group or family.

## Staff

If I have any questions or need help, I can ask a staff member. They wear a black shirt with Magik Theatre name tags.

## Snacks and Drinks

If I get hungry or thirsty during the event, I can visit the concession stand. There are many food and drink options here. I can also bring a snack into the theatre.

# Restroom

If I need to go to the restroom, I can ask a friendly staff member where the closest one is located.

## Headphone Zone

Magik Theatre is considered a Headphone Zone as many people will be very excited. There will be loud cheering and applause. I might feel most comfortable wearing my headphones while I'm visiting.

## Finding my Seat

There are many seats at Magik Theatre. If I need help finding my seat, I can ask a friendly staff member. The lights will be on during this time. There might be noise as other audience members look for their seats as well.

## Before the Show

When the lights dim, this means the show is about to start.

A Magik Theatre staff member will come on stage and make a few announcements. Then, the actors will come on stage and tell a story through song and dance.

## During the Show

During the show, there might be some audience participation. I can participate if I want, but I don't have to. There might also be some clapping. I can clap or I can cover my ears if it gets too loud.

## Quiet Area

During the show, I can play with my fidget gadgets, put on headphones or even take a break in the designated Quiet Area if I start to feel overwhelmed. I should find a friendly staff member to help me locate the closest one. Here I can recharge and rejoin the fun once I feel ready.

## After the Show

At the end of the show, the actors will bow, answer a few questions, and wave goodbye.

# Leaving

There may be many people leaving Magik Theatre at the same time when the event is over, but I can take my time. I should also stay with my group or family and leave together.

**Thank You!**

I had a great day at Magik Theatre. Knowing what to expect made it fun and easy. I can't wait to go back!
